

# SpoolMaster VC

- ▲ Standard capacity 3" to 24" diameter
- ▲ Measure and cut right from the carousel
- ▲ Designs for oversized spools available
- ▲ Carousels are UL Listed
- ▲ Organize spool inventory

The J&D SpoolMaster VC carousel is the ideal way to organize and store spooled goods.

Find the "right" spool quickly. Use the optional counter and coiler to measure a precise amount, re-spool into a manageable coil and cut all in one system, eliminating lifting and moving heavy spools.
